STUDENT AGREEMENT - Freewheel Driving, Training & In Car Lessons

We offer programs that are eligible for the insurance reduction certificate through Alberta Transportation. To be eligible for the certificate, your program must include, at minimum...

 15 hours online classroom (in person options offered occasionally)

 10 hours in-vehicle driving lessons (five two-hour sessions)

 Student driver must pass the performance evaluation set out by Alberta Transportation on the "Driving In-Vehicle Evaluation Report" (D.R.I.V.E.R.)

Driving takes into account the ability to demonstrate seamless interaction of multiple cognitive abilities, including attention, knowledge, attitude, awareness/ perceptual skills, memory, decision-making as well as vehicle-handling (psychomotor) skills.

Factors that may affect the Suggested Lesson Plan:

- Student Ability
- Practice Time
- Location
- Age
- Motivation
- Previous Experience

New drivers require a minimum of 2-3 practice hours for each lesson hour. Many student drivers are reasonably proficient after 10 hours of in-car formal training, others may require 14, 20 or more hours of training depending on age, motivation and previous experience.

Some students will require more than the standard 10 hours of in-vehicle training to acquire the skills and experience necessary to become a safe and competent driver.

- Freewheel Driving School is bonded and instructors are licensed and certified under Alberta Transportation. Our training vehicles are automatic with dual brake controls.

Please contact Freewheel Driving School for more information 

IN- VEHICLE POLICIES

1	Must have Driving Permit/Licence and show before each lesson.
2	If corrective lenses required as a condition on your license, they must be worn during the lesson.
3	Student cell phones turned to "do not disturb" during lesson

General Information:

Decide which package and feel free to contact us for more info if needed.

Lesson meeting spot out front of Bumper to Bumper in downtown **Didsbury**. Pick up can be arranged at another in town Didsbury location, such as home or school. Lessons are 2 hours unless otherwise noted.

\$150 + gst is will register the student into online classroom. This also registers your intention for in-car lessons.

Once the online portion is completed, we will propose and pencil in lesson times which are available first come first serve.

The balance due prior to in-car lessons or can be paid with the full program at registration.

The Program must be completed within 24 months of the start date.
